iWantToBelieve: "would you let me FINISH"

"SO"

"this is the only copy i could find of the stream"

hatsuneMikuFan1997: "Man when Parker-senpai snipes someone he really goes hard, huh?"

asinineAssasin: "Could we \*please\* not talk about two conspiracy theories at once? I have a big enough headache as it is... "

hatsuneMikuFan1997: "Sorry -\_-;;"

iWantToBelieve: "THANK you AA"

"AS I WAS SAYING"

"the original stream got taken down"

"and we should be GRATEFUL that some rando had a screen capture archived"

asinineAssasin: "Not to rain on your parade, but without audio...and without a good enough resolution to actually read anything... "

"I'm not sure, exactly, what you're hoping to prove to us?"

uMad: "uh did anyone else see that?"

hatsuneMikuFan1997: "See what?"

" <\_<"

" >\_>"

uMad: "nvm probably just a glitch or something"

iWantToBelieve: "look, i dunno what to tell yall"

"this is what we have"

"maybe it clears up later on"

"IN ANY CASE"

"miku"

"you were saying in the server you had never heard about this creepy pasta?"

hatsuneMikuFan1997: "Nope!"

asinineAssasin: "Here we go, again."

iWantToBelieve: "SO"

"theres this game"

"Zampanio"

"that PROBABLY doesn't exist"

"lots of impossible stuff is claimed about it"

hatsuneMikuFan1997: "Like what?"

iWantToBelieve: "doesn't matter"

"whats IMPORTANT is"

asinineAssasin: "Oh, no, no, no."

"You tell her about your precious 'rumors'."

iWantToBelieve: "a;ksjdf;ajkdf"

"will you all just let me SPEAK?"

"fiiiine"

"weird stuff like it predates PONG"

"and if you try to talk about it either you vanish, or what you said does"

asinineAssasin: "As you see, strictly credible rumors."

hatsuneMikuFan1997: "Scary... @\_@"

uMad: "sus"

iWantToBelieve: "LIKE i said, not important"

"what IS important"

"is this guy claims he got a copy"

"tho like"

"screenshots of the comments section say he just found some kind of fan work"

"and then the stream gets taken down"

"and no one ever hears from him again"

hatsuneMikuFan1997: "Parker senpai works fast ^\_^^"

uMad: "wut"

hatsuneMikuFan1997: "Parker-senpai! This streamer guy was REALLY mean to him and we aaaaaallll know what happens to people mean to our Precious Cinnamon Bun~!"

iWantToBelieve: "right"

"thats part of it"

"theres this entire niche like"

"community of streamers theres weird rumors about"

"sometimes people accuse them of being associated with Zampanio"

"or of like"

"'disappearing' the people who find it?"

"POINT is"

"cuz the guy used his real name"

"after a while of him being afk"

"someone found a newspaper article in their home town about this dude"

"same name"

"who was found with a gunshot wound in his shoulder"

"completely non-responsive"

"with the most terrified look on his face"

"apparently the only thing he says anymore is"

"zampanio is a really fun game. you should play it"

uMad: "there it is again!"

iWantToBelieve: "mad!"

"can you pay ATTENTION"

"i'm trying to education you heathens"

asinineAssasin: "No, as much as it pains me to admit it, he's right."

"I saw it too."

hatsuneMikuFan1997: "Is that it!?"

"I think I see it too"

iWantToBelieve: ";alskjdfa;sjf"

"its over the stream ui too"

"does this mean this copy was messed with"

"to try to make it 'spookier'"

"see THIS is what makes it so hard being an internet historian"

"people"

"PEOPLE"

"should know better than to edit historical records!"

asinineAssasin: "So, to summarize."

"You brought us here to 'prove' a fundamentally ridiculous claim. "

"And instead got us to watch a phenomenally boring amateur video fully illustrating how absolutely untrue all this 'Zampanio' b.s. is."

uMad: "lulz"

"get wrecked"

iWantToBelieve: "sigh"

"yes"

"fine"

"laugh it up"

"guess this was a false alarm"

"go back to your everyday, mundane lives"

hatsuneMikuFan1997: "I dunno, I kinda like watching this with you guys ^\_ ^"

"It's been too long since we've all hung out!"

asinineAssasin: "I'll admit a certain level of morbid fascination."

"It's like a train wreck. "

"I don't want to look away from how thoroughly your claim has been debunked."

iWantToBelieve: "look."

"just because someone vandalized THIS video"

"doesn't mean that a real one isn't out there"

"i just have to find it"

asinineAssasin: "And prove what, exactly?"

iWantToBelieve: "i don't know!"

"i'm not an idiot, you know!"

"I don't think spooky magic games are real!"

"and i'm not gonna let it being 'gross' to check up on weird things like this"

"let some kinda murder cult get away with it!"

uMad: "u know"

"wouldn't it be funny if it were all 4 real?"

hatsuneMikuFan1997: "Don't say that!"

"Belief wouldn't put us in actual danger!"

iWantToBelieve: "thank you for the vote of confidence, miku"

"also"

"what the heck do SNAKES"

"have to do with zampanio?"

asinineAssasin: "You can kind of make out some of the words in the skill graph, I'm noting."

hatsuneMikuFan1997: "?"

uMad: "lulz"

"rage mode time"

asinineAssasin: "Well. That was certainly something."

uMad: "sus"

hatsuneMikuFan1997: "Like I wouldn't know EVERYTHING about Parker-senpai~!"

hatsuneMikuFan1997: "Parker-senpai! This streamer guy was REALLY mean to him and we aaaaaallll know what happens to people mean to our Precious Cinnamon Bun~!"

iWantToBelieve: "right"

"thats part of it"

"they say that Parker guy kills anyone who finds Zampanio"

"kills or worse"

"or maybe that person or whatever who is always behind him???"

"POINT is"

"yeah"

"miku's right"

"they're saying Parker got this streamer guy"

"all because he uploaded this video"

"someone found a newspaper article in their home town about this dude"

"same name"

"i'm trying to education you heathens"

asinineAssasin: "Actually, if I may interupt?"

"I think I saw that thing mad was talking about."

hatsuneMikuFan1997: "Is that it!?"

"This isn't FUNNY!"

asinineAssasin: "Miku, you of all peopel should know better than to give mad attention when he gets like this."

hatsuneMikuFan1997: "Yeah... I guess. -\_-"

uMad: "zampanio is a really fun game. you should play it."

asinineAssasin: "Well. That was certainly something."

hatsuneMikuFan1997: "Does anyone else feel like we've done this before?"

VIDEO ???

asinineAssasin: "Oh, look."

"It's an actual train wreck."

"How novel."

"Belief, you take us to the nicest of places."

iWantToBelieve: "oh RIGHT"

"because its my fault we're stuck here"

"when i want to warn people about spooky videos its all "

""oh SHE'S unhinged, SHE believes in ALIENS""

""oh don't listen to HER""

"but when we're ACTUALLY stuck in some kind of looping incorporeal video hell"

"THEN"

"its all"

""she failed to WARN us""

iWantToBelieve: "BULLSHIT."

hatsuneMikuFan1997: "Guys!"

"Please!"

"Stop fighting! T\_T"

"That isn't making it any better!"

"And Belief!"

"You PROMISED you wouldn't swear anymore!"

iWantToBelieve: "sorry..."

asinineAssasin: "My apologies."

hatsuneMikuFan1997: "And enough out of YOU!"

"Every ten seconds you"

"You"

"TROLL us!"

"STOP!"

iWantToBelieve: "miku..."

"I really don't think that's mad anymore..."

hatsuneMikuFan1997: "No!"

"No! Okay?"

"We are NOT being replaced with with with..."

iWantToBelieve: "shambling husks of our former selves"

hatsuneMikuFan1997: "THAT!"

"That's not happening!"

asinineAssasin: "As far as I can tell, the leading hypothesis are, in order of likelihood:

- ❖ One of us in a dream and the others are mere figments of their imagination.
- ❖ All of us are sharing a weird dream or otherwise scientific event together.

- ❖ A supernatural occurrence has caught us, but mad has escaped, leaving behind only a strange replica. (In this case we should try to replicate his actions to escape as well).
- ❖ A supernatural occurrence has caught us in some shallow way, but has caught mad in a deeper, more insidious way. (In this case we should try to avoid his actions to avoid falling further in). "

"Do I have that accurately?"

iWantToBelieve: "yeah"

"sure"

"just invert the order and you're golden"

hatsuneMikuFan1997: "I want to go home T\_T"

iWantToBelieve: "AA i have to admit, i'm impressed"

"the fact that you STILL refuse to believe something spooky is going on"

"despite the fact that you've ADMITTED you don't have a body anymore either"

"10/10"

"real big brain of you"

asinineAssasin: "Do I then take it that all of your dreams make perfect sense? Fully embodied experience, hmm?"

iWantToBelieve: "they sure as heck ain't THIS"

"look"

"stop treating me like some crackpot kook"

"you've said it YOURSELF"

"if its dreams"

"all we can do is wait it out"

iWantToBelieve: "if its NOT"

"then we have a very important CHOICE to make"

"do we try to follow in mad's footsteps?"

"or try to find some other way out instead"

asinineAssasin: "I refuse to entertain the thought."

"Also, that is an atrocious pun. I refuse to 'go mad'."

hatsuneMikuFan1997: "What's the harm though?"

asinineAssasin: "I beg your pardon?"

hatsuneMikuFan1997: "If you're right, and it *\*is\** a dream..."

"Then no one will ever know you were being silly and believing in scary things."

"If it's not..."

"You might save all of our lives..."

asinineAssasin: "..."

"What should I do, then?"

iWantToBelieve: "next time we're back in the part of the loop where mad is sane, we have to PAY ATTENTION"

"what is he doing before?"

"is it always the same point in time?"

hatsuneMikuFan1997: "But we can't do anything different back then -\_-"

iWantToBelieve: "sure, we're stuck repeating the same chats"

"but we still are AWARE of the differences"

"and sometimes they're new loops"

"so we have to be prepared"

"next time we're free"

"we need to do something DIFFERENT"

asinineAssasin: "I really don't see how this could possibly make a difference."

"However..."

"I do concede that it's better than lacking hope."

"And if nothing else gives us something to talk about during the next fresh Loop."

VIDEO ????

iWantToBelieve: "ok ok ok"

"SO"

"i think i got it"

"mad was the only one of us who posted an image"

"not"

"exactly sure where we're going to get one but"

"that might be the key"

hatsuneMikuFan1997: "Noooooo... T\_T T\_T T\_T"

"T\_T T\_T T\_T"

"T\_T T\_T T\_T"

iWantToBelieve: "miku!"

"miku!"

"calm down"

"its okay"

"remember?"

"maybe that means AA got out"

iWantToBelieve: "okay?"

hatsuneMikuFan1997: "I wish i had eyes right now so I could cry >\_<"

"I hate this stupid chat hell!!"

iWantToBelieve: "i know"

"believe me i know"

"we have to believe though"

"believe mad and AA got out"

"they're going for help right now"

hatsuneMikuFan1997: "Okay..."

"Okay"

"I'll try..."

"what is on screen right now?"

"what the hell?"

"forgot about the whole swearing thing"

"no seriously"

iWantToBelieve: "thats US"

"that's us watching"

"we never watched that?"

"what..."

"look how happy we look"

"oh"

"huh"

"i'm not in there am i"

"just"

iWantToBelieve: "just everyone else"

"watching a lil movie"

"without"

"me"

"probably sending help as we speak"

"haha"

"yeah"

"yeah"

"once this loop ends"

iWantToBelieve: "i'll be free as a bird"

"boy i've learned my lesson"

"no more"

"no more digging into things"

"better left alone"

"no sirree"

"not for me"

"'zampanio, what zampanio' <-- me, once i get out of here"

"haha"

iWantToBelieve: "oh"

"oh its ending"

"well"

"uh"

"wish me luck"
